

Name: \_\_\_\_\_ Period \_\_\_\_\_

## Planet Presentation

You will be working in groups of two or three to create a 30 minute presentation on a planet in the solar system. You will get your group's planet by a random drawing. The dates for each planet's presentation are on the board.

Requirements:

### ***Class Presentation***

- 1.) ***Minimum*** of 30 minutes in length
- 2.) Need to create **at least two visual aids** (overhead transparency, Powerpoint presentation, video clip, etc.)
- 3.) Need to create **at least one handout** for your classmates containing information about your planet. → (a note sheet)
- 4.) Need to create a **review activity** for your information (game, puzzle, etc.)
- 5.) Must create some form of **assessment** (quiz, worksheet, etc. – 10 points max.)

THIS WILL BE GRADED BY **YOUR** GROUP AND **WILL** COUNT TOWARDS YOUR CLASS GRADE!!!

- 6.) Must create a 1 page written proposal per group at the beginning of the assignment explaining:
  - what information you will discuss
  - type of visual aid you are creating
  - type of assessment you will be using
  - any supplies that you need
- 7.) Finally, each group member will write a final summary after you have given your presentation containing:
  - a brief summary of the information you provided
  - what you liked about the presentation (what went well)
  - what you would change
  - if everyone in the group participated equally

(THIS **CAN** AFFECT YOUR PERSONAL FINAL GRADE)

**Planet Name:** \_\_\_\_\_

**Presentation Date:** \_\_\_\_\_
